

Festival of Speed, Goodwood

2nd July – 4th July 2010

In the summer of 1936 the Earl of March, better known as racing driver and Brooklands winner Freddie March, staged a private hillclimb for the Lancia Car Club at Goodwood House. He won it, driving his own Lancia Aprilia. In the winter of 1992 his grandson, the present Lord March, had a vision of a new motor racing event at the family home. And so, the following summer, the Festival of Speed arrived on the social and sporting calendar.

The Festival is now the biggest motoring garden party in the world, attracting film stars, rock stars and royalty to the beautiful grounds of Goodwood House. You will see the latest Formula One cars, and their superstar drivers, as well as the greatest legends of decades gone by. You will also be intoxicated by the atmosphere, the glitz and glamour alongside the roaring engines and tyre smoke.

The National Sporting Club is delighted to offer the Library Lawn Package which is located in a more secluded area where you will be looked after in a marquee on the private lawn of Goodwood House. Library Lawn offers tables of 2 to 12 and is perfect for private or corporate entertaining. A short walk from here takes you to your private grandstand at the Crossroads corner where you will have a great view of the cars and motorcycles on the track.

The Festival of Speed is a fantastic place to do business, to entertain and reward your clients and customers. There is simply nothing like it anywhere else in the world.
