

# The Goodwood Revival

17<sup>th</sup> September – 19<sup>th</sup> September 2010

**The Goodwood Revival is, quite simply, a magical step back in time, a chance to revel in the romance and glamour of motor racing as it was in the halcyon days on a circuit that has a special place in the history of British motor sport.** For three days in September, the Goodwood Motor Circuit closes its gates on the modern world and creates a unique blend of intoxicating excitement, from the cars flashing between the grassy banks of this historic track to the breathtaking aerial manoeuvres of wartime fighter aircraft.

This is the biggest and best motor racing party of the year, an enthralling opportunity to leave the modern world behind and wallow in the way things used to be. On the track, and in the air, the drama is relentless, a feast for all the senses. The Goodwood Revival is unique, one of the wonders of the world.

The National Sporting Club is delighted to offer hospitality in The Goodwood Mess. Modelled on the Driver's Club, takes entertaining to a whole new dimension. Take a step back in time, and enjoy a truly interactive experience where the magic of the Revival will be brought to you. Located track side, next to the assembly area and just beyond the start/finish line with great views all the way to the mighty Madgwick Corner, you are at the centre of all the action.
